Direct Donate Agreement Form

Next to prayer, giving and serving are the simplest ways to honor God. Whether you're putting yourself "in" through your dollars and cents or setting aside the time to be present to serve... or both, you're glorifying God.

What is your part in this story? Give how God leads you. Go where God sends you. Follow His lead.

Thank you for your interest in giving through Bethany's Direct Donate option. By completing and returning this form, you will be on your way to establishing an easier and less costly way of making your offering to Bethany. This agreement to draft your account as detailed below will remain in effect until we have received notification from you of its termination and we have had reasonable opportunity to act on it. Your bank statement will adequately describe this draft when it occurs and we will mail you a year-end contribution statement for your tax purposes.

You can choose any day of the month below. We will set you up and if you decide to sign up for a MyChurch account you will be able to make adjustments or you can contact the office to make changes.

I (we) hereby authorize Bethany Evangelical Free Church to initiate debit entries to my (our) bank account indicated on the voided check attached for the amount(s) detailed below.
